South side of Grant Road between  
1st Avenue and Park Avenue

**JOIN** *the City of Tucson and the Regional Transportation Authority as they kick off work on Phase 2 of the Grant Road Improvements.*

The Grant Road Improvement Plan has been underway since 2007. Throughout these years, input and support for the project has come from the Mayor & Council, the Grant Road Citizens Task Force, business owners, neighborhoods and the regional community. This multi-phase project began with the intersection improvement at Grant Road and Oracle Road in 2010. This phase will improve Grant Road from just west of Stone Avenue to just east of Park Avenue and will include:

- 6 vehicular travel lanes
- Protected bike/pedestrian street crossings
- Drainage improvements
- Indirect left turns at Stone and 1st
- Bike lanes & sidewalks
- Bus pullouts and bus shelters
- Sustainability features; water harvesting
- Public Art

Project funded by:

*This is an RTA project managed by the City of Tucson.*
