A community meeting on the proposed widening of Grant Road is set for Wednesday.

Staffers from the Tucson Transportation Department will make a brief presentation about the process leading up to design and construction of a widened Grant Road from Oracle to Swan roads.

The project is slated to start in 2013.

The sessions are so transportation staffers can gather community concerns about the project.

The meeting will start at 5:30 p.m. at the Ward 3 City Council office, 1510 E. Grant Road.
